Registration for 2025-2026 School Year

We want to thank the 700+ families who have already completed the 2025-2026 school year re-registration! If you have not yet filled out your re-registration for next school year, please complete it as soon as possible.

Log onto DoDEA Student Information System (DSIS) Family Portal at <https://dodeasis.myfollett.com/aspen/logon.do> to fill out re-registration information.

Graduating seniors do NOT need to re-register but all other families need to log in to their ASPEN portal to complete the re-registration process, *even if you are leaving us!*

Re-registration is NOT choosing classes for the upcoming year, it is the process of letting the school know your plans for next year.
